

REMARKS

Status of the Claims

The Office Action dated May 11, 2009 has been received and reviewed by the applicant. Claims 1-14 are pending in the application. Claims 8-14 stand rejected and claims 1-7 are objected to. Claims 1-14 are amended. Reconsideration is respectfully requested.

Claims 1-14 stand objected to because of the following informalities: Each claim must be the object of a sentence starting with "I (or we) claim," "The invention claimed is" or the equivalent. An article like "a" or "the" at the beginning of each of the claims would overcome this objection. See MPEP 608.01(m). In response, each claim is amended to included the suggested language.

The rejection states that claims 8-14 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set fort in this Office action. This could be fulfilled by deleting the duplicative language in claim 8. In response, claim 8 is amended to delete the duplicate language.

The Examiner is respectfully requested to withdraw the outstanding rejection and to pass the subject application to Allowance.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company Deposit Account No. 05-0225.

Respectfully submitted,
